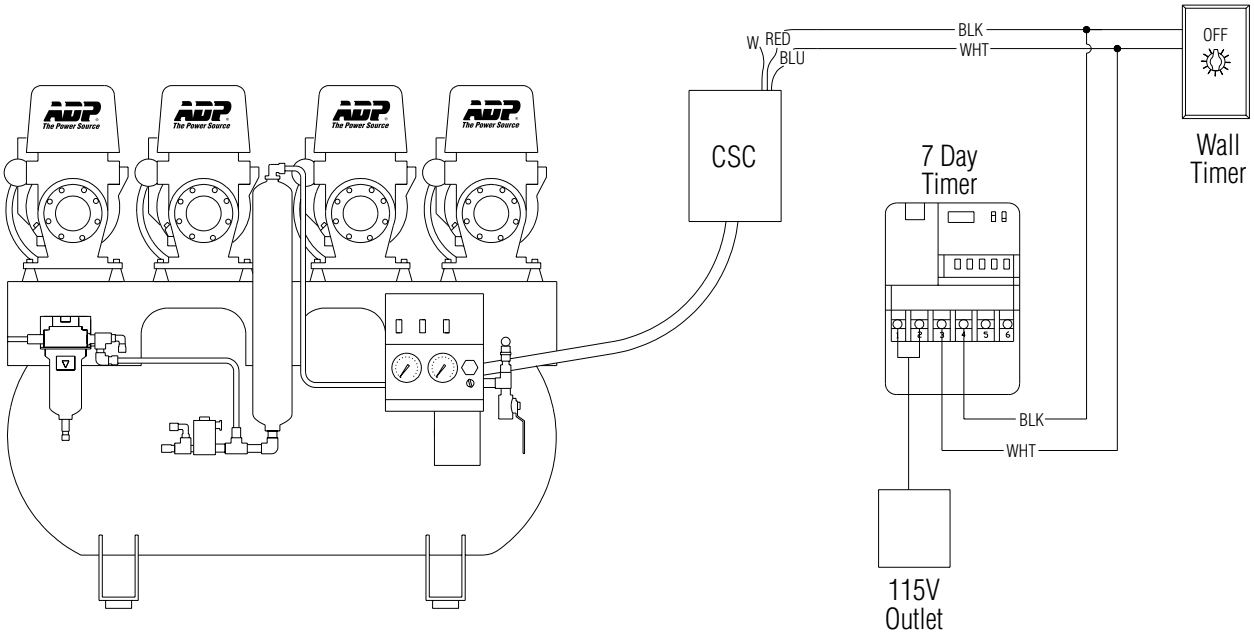
# Installation Instructions

## 7 Day Equipment Timer with Bypass

### Part #ASATIMER



### Description:

Equipment installed and operated with a low voltage contactor can be automatically switched on and off daily using the ASATIMER from Apollo Dental Products. Also included in this kit is a six hour bypass timer that allows the system to be operated during 'off' hours via the bypass timer.

### Installation:

1. Wire the red and blue (or low voltage switching) wires from the equipment low voltage contactor as illustrated.
2. Splice both timers into circuit as shown, with the seven day timer connected at terminals 3 and 4.
3. Plug seven day timer into available 115V outlet at terminals 1 and 2.
4. Set the seven day timer as per provided instructions.

### Warranty Information: 90 Day

All ADP accessories are thoroughly inspected and tested in accordance with rigid specifications and standards. Our accessories are guaranteed against any defective material and workmanship from the date of shipment; provided that the installation, operation, and maintenance is done in accordance with ADP procedures as outlined in our Installation and Maintenance Guides. Warranty cards must be returned to ADP within ten days of installation to effect warranty. No other warranties or guarantees, expressed or implied are made.

ADP's obligation under the warranty is to provide parts for the repair or, at its option, to provide the replacement product (excluding labor). All special, incidental and/or consequential damages are excluded. We will not issue credit for accessories without first attempting to correct the problem in the field. Written notice of breach of warranty must be given to ADP within the warranty period. The warranty does not cove damage resulting form improper installation or maintenance, accident or misuse. The warranty does not cover damage resulting from the use of cleaning, disinfecting or sterilizing chemicals and processes. Failure to follow instructions provided in ADP's Installation and Maintenance Guides may void the warranty.
